The *Journal of Children and Young People's Health* is the official Journal of the Australian College of Children and Young People's Nurses

The electronic journal will be published three times a year and accessed by 700 health professionals purchasing and/or recommending products and services to assist in the care of our young. In addition to clinically-orientated material, the journal provides a forum for research reports and discussion papers.

ACCYPN is the only national nursing professional organisation that has children and young people as its core focus. Through direct membership ACCYPN forms an influential professional body acting on behalf of children, young people, families and the nurse who cares for them.

ACCYPN recognises children and young people's nursing as specialty nursing practice and advocates for the specialty irrespective of the setting in which children and young people are cared for.
